EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Please make claim 9 dependent from claim 7.

In the correspondence dated July 8, 2005, claim 9 was held as not further limiting of claim 8. (In actuality, claim 8 also lacked antecedent basis for the limitations of claim 9 and, hence, a rejection under 35 U.S.C. 112, second paragraph would also have been merited. Claim 7, on the other hand, does provide antecedent basis for the mention of a salt of an organic acid whereas the same is not true of claim 8. Accordingly, claim 9 has been amended to depend from claim 7.

Claim 3 has been amended to specify that the arylamino alcohols of both "EO" and "PO" are contemplated. Though not expressly defined by the Specification, these abbreviations are taken to refer to ethylen oxide and propylene oxide respectively and so the alcohols are the reaction products of an arylamine amine and either of ethylen- or propylene oxide. Applicant had confirmed that the Examiner's assumptions were valid in an informal telephone interview.

An updated survey of the prior art did not yield a reference any more germane than those already of record. Therefore, claims 1-24 are considered allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc S. Zimmer whose telephone number is 571-272-1096. The examiner can normally be reached on Monday-Friday 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Randy Gulakowski can be reached on 571-272-1302. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
